The Manorville Fire Department is a volunteer organization providing Fire, Rescue, and Fire Prevention services to the residents of the Manorville Fire District. We respond to upwards of over 450 calls each year for structure fires, vehicle accident and fires, brush fires, and carbon monoxide alarms, etc. We are going to be hosting an annual golf outing each year as a department fundraiser. We are looking for help with asking for support by means of joining us for a great day out, purchasing one of our sponsorship's, or by donating a gift or prize for our Raffle and Chinese auction. We thank you for your support.
